

The Company would like to advise all passengers and vehicle drivers that between Monday 11 January and 19 March 2010 all services to Shapinsay will be operated from the Linkspan on the main Kirkwall Pier as detailed below. This is to allow for essential maintenance to be carried out on the hard ramp in Kirkwall.

Passengers are asked to ensure they are available for boarding at least 5 minutes before departure and vehicles should be available 15 minutes before. The Company regrets that it will be unable to delay any sailings during this time, due to other vessel operations on the linkspan.
