## **EXTENDED DISRUPTION TO SERVICE**

### **HARD RAMP CONSTRUCTION AT TINGWALL**

**12.04.10 – 27.06.10 (inclusive)**

During the period of repair work at Tingwall Terminal Hard Ramp (12.04.10 – 27.06.10), there will, on occasion be 'Disruption to Service' due to tidal constraints at the temporary hard ramp.

The ferry will be providing a 'passenger only' service when low tide levels do not allow berthing on the hard ramp.

Details of affected sailings are displayed in Ferry Offices and on Company website.

Orkney Islands Council – Ferry Services would like to apologise to our customers for any inconvenience encountered during the duration of the construction work.

**Capt. Iain MacIver – Marine Superintendent.**
