

## **PASSENGER INFORMATION NOTICE**

### **DISRUPTION TO SERVICE**

#### **HARD RAMP CONSTRUCTION AT ROUSAY**

**27.09.10 – 24.12.10 (inclusive)**

During the period of construction work at Rousay Terminal Hard Ramp (27.09.10 – 24.12.10), there will, on occasion be 'Disruption to Service' due to tidal constraints at the temporary hard ramp.

The ferry will be providing a 'passenger only' service when low tide levels do not allow berthing on the temporary hard ramp.

Details of affected sailings are displayed in Ferry Offices and on Company website.

-----

It is anticipated that on occasions further disruptions to service will be likely due to weather conditions and ongoing contractor works.

Orkney Islands Council – Ferry Services would like to apologise to our customers for any inconvenience encountered during the duration of the construction work.

**Capt. Iain MacIver – Marine Superintendent.**
